Pence Issue Scott #1-13

- 1** **⊙ #1 1851 3d red Beaver on Laid Paper, Imperforate**, used with ideal centrally struck target cancel in black and four enormous margins, showing parts of five adjoining stamps. This stamp previously sold for US\$1,955 at a 2011 Matthew Bennett auction (Daniel Cantor Sale). Insignificant tear in bottom margin, still an extremely fine and fresh stamp and worthy of the finest collections. Accompanied by a 2013 Greene Foundation certificate.

..... **Unitrade \$1,600**

- 2** **⊙ #1 1851 3d red Beaver on Laid Paper, Imperforate**, used horizontal pair, with two target cancels. Right stamp is very fine with four large margins, left stamp has close but clear margins. A lovely pair, accompanied by a 2012 Richard Gratton AIEP certificate.

..... **Est. \$1,250**

- 3** **✉ #1 1851 3d red Beaver on Laid Paper, Imperforate**, on folded letter mailed from L'Original to "Paul Kane, Artist, Wellington Hotel, Toronto" with Kingston transit and Toronto DEC.5.1851 receiver on back. The stamp, which has a sheet margin at right (but faulty) is tied by a red target cancel. Paul Kane was a famous Canadian painter and artist. The folded letter is missing its contents and has been repaired, still a scarce franking and addressee. Accompanied by a 2005 Richard Gratton AIEP certificate stating in part "... the stamp has been removed and re-glued (not in its original position)..."

..... **Est. \$1,000**

- 4** **✉ #1, 1iii 1852 3d red Beaver on Laid Paper, with Major Re-Entry, Imperforate**, on folded letter mailed from Toronto on JUN.11.1852 to Kennedy in New York. Franked with two, 4-margin 3d Beavers (slightly sulphurized), both tied by a black target cancel. One is affected by a vertical file fold, the other is from Position A47 and has a major re-entry and is sound. Accompanied by a 2012 Richard Gratton AIEP certificate stating in part "the second stamp on laid paper has the major re-entry but does not belong to the cover ... was taken off and re-glued in place... the cover is genuine but a stamp was replaced".

..... **Est. \$1,500**

Three indistinct different datestamps on back. Accompanied by a colour article from Linn's talking about ring cancels and illustrating this cover. Tears on backflap, still very fine and attractive.
.....**Est. \$1,000**

- 9 ☒ **#4 1858 3d red Beaver, Imperforate**, on yellow cover mailed from Montreal (AUG.23.1858) to Woodstock, C.W (AUG.25.1858 receiver on back). Both 4 margin stamps are tied by 4-ring #21 cancels. A lovely triple weight rate cover, which has had its 3d stamp removed to iron out a crease to improve appearance, then replaced. Ex. Carrington and Daniel Cantor collections and accompanied by a 2011 Greene Foundation certificate. We note that because the stamp was removed to iron out a crease, the certificate is pink as per Greene Foundation regulations.
.....**Est. \$3,500**

- 11 ☒ **#4a 1854 3d brown red Beaver Pair, Imperforate**, on folded letter mailed from Hamilton C.W (JAN.28.1854 double broken circle in blue) to Taunton, Massachusetts. There is an additional CANADA / PAID 10 Cts. handstamp in blue on front. Vertical file folds (away from stamps) and missing letter contents (front only) still a most attractive pair. Ex.
