Dear Stéphane,

I just wanted to thank you for making our stamps (The Crosby Collection) shine so beautifully both on your website and in your gorgeous catalogue for your recent auction. All our stamps and covers were presented in such an enticing way that I was not surprised buyers were interested from such distant places.

I was especially impressed with your use of your website. It was great seeing a different stamp from our collection featured each day in the weeks leading up to the auction! Following the bids on the live audio of your website on auction day was easy and very exciting.

I was completely ignorant about stamp collecting until about six months ago; thank you again for making it such an enjoyable (and financially rewarding!) adventure.

Sincerely,

A handwritten signature in cursive script, appearing to read "Jan M. G.", followed by a horizontal line extending to the right. The signature is written in dark ink on a light-colored background.
