

THE POSTAL HISTORY OF

Gananoque

SPARKS AUCTIONS

Without any hesitation at all, plus all the encouragement I can put forth I want to go on record as a recent consignor to let everyone know how completely satisfied I was with my decision to hand over my Gananoque Postal History and Canadian Stamp Collection to the firm of Sparks Auctions.

Like many fellow collectors and those holding philatelic accumulations of all kinds, I'm sure, like me it will be a difficult decision to part with something that has been dear to one's heart for many years (in my case more than a span of some 50 years) while emphatically enjoying every minute of researching, mounting, and basically designing a group of unique albums relating to the Town's and Canada's postal past. Advancing in years, I felt it was time to let it go for other collectors to enjoy the material.

I entrusted my life's work to the hands of mainly Stéphane and Kate at Sparks Auctions and now realize I indeed made the right decision and would encourage anyone and everyone to follow my experience in consigning their philatelic holdings to the firm of Sparks Auctions when it is time to sell. Believe me when I say, "YOU WON'T BE DISAPPOINTED."
