Welcome to Sparks Auctions Sale 33. Our firm continues to see a strong and steady increase in popularity, offerings and sale results, and this sale is again, our largest ever. Because Sale 33 is our first held in the new reality brought on by the COVID-19 pandemic, we want to protect our staff and customers and will therefore be holding this sale without a public floor. Viewing will be conducted by appointment only, and we will only accommodate a small number of people at once. Details of our COVID-19 Protocols can be found [on our website](#).

We are proud to announce that the first part of this sale will feature Part 2 of the "Outaouais" collection of high-quality Canada and United States, with many certificates and great provenance.

The Outaouais collection was formed over a period of over 30 years, and consists of high quality, hand picked mint and used stamps and covers, bought one at a time in order to achieve a collection of the highest quality standards. The majority of the classics are accompanied by recent certificates, and many of the stamps also have excellent provenance. Many of the early mint stamps have original gum and will mostly be never hinged soon after. The used stamps were mostly chosen for their legible in-period postmarks, rarely seen on Pence issues, and if no c.d.s. was available then centering and appearance was purchased.

Part I of this sale was conducted by our firm on September 26th, 2017 and featured the first three mint stamps of the Canada collection, #1a, 2 and 3. The sale attracted much attention, as evidenced by the great prices realized, with the #1a (very fine unused) selling for \$75,900, the #2 (very fine unused) selling for \$61,100 and the #3 (extremely fine sheet margin stamp with original gum) selling for \$327,750, the highest amount paid for a Canadian stamp (these prices include buyer fee). This Part II offered here includes the rest of the Canada collection (up to 1950) as well as selected United States issues up to the 1940s including some graded and certified stamps. We hope you will enjoy this sale and that you will become one of the proud new owners of items from the Outaouais collection.

A reminder that lots that have a "Rsv" in the description are reserved, and the amount shown is the minimum bid accepted to open the lot. Also, our sales are always conducted in Canadian dollars, with an industry-low 17% buyer's premium. Our sales catalogues can always be downloaded by PDF on our website at sparks-auctions.com, or can be seen on SAN at stampauctionnetwork.com/ik/ik33/cfm, where thousands of high-quality scans and photos accompany. Please do not hesitate to contact us as soon as possible if you would like to consign material for one of our upcoming auctions, as we are well advanced in the preparation of our next sale, and have limited space left.

Enjoy the sale, and we hope everyone can find something special for their collections!

Province of Canada -- Pence Issues Scott #1-13

- 1 **#1849 Folded Letter Franked with 5c Red Brown Franklin Imperforate**, mailed Montreal on DEC.14.1849 to Kennedy in New York. Since Canada had not yet printed its own stamps, it was permitted to frank this folded letter with an 1847 5c Franklin imperforate in Montreal, which is tied by a red "10" in circle. There is also a "4½" manuscript rate to pay for the Canadian portion of its voyage. Upon arrival in New York, the clerk crossed-out the "PAID" and penned-in "Due 5". Long detailed letter inside, with two vertical file folds (one through stamp). A very fine example of this scarce usage, ex. Dale-Lichtenstein, Craveri and Daniel Cantor (2011), and illustrated in Boggs *The Postage Stamps and Postal History of Canada* on page 73. A great item to start any serious Canada collection.
..... **Est \$3,000**

- 2 **#1 1851 3d Red Beaver Imperforate on Laid Paper**, used with centrally struck target cancel. A visually pleasing stamp with four large and even margins, extremely fine. Accompanied by a 1991 Philatelic Foundation certificate and a 2020 Greene Foundation certificate.
..... **Unitrade \$1,600**

- 3 **#1 3d Red Beaver Imperforate on Laid Paper on Cover**, mailed Bytown UC on JUN.26.1851 to Perth, with a light JUN.28 receiver in red, through Smiths Falls (JUN.27 transit in red). This cover is franked with a 3d red Beaver imperforate on Laid paper, with large to huge margins, tied by a blurry target cancel. Cover has overall toning and aging, with creases on back but stamp is unaffected and very fine.
..... **Unitrade \$2,500**

- 4 (*) **#1a 1851 3d Orange Red Beaver Imperforate on Laid Paper.** Canada's first stamp, engraved by Alfred Jones using a very similar design proposed by (later Sir) Sanford Fleming. This stamp has two certificates of authenticity: a 1985 Greene Foundation certificate stating "...Mint, O.G., genuine..." and a 2015 Greene Foundation Certificate stating "...#1a, unused, on laid paper, orange red shade, genuine in all respects". The gum was removed after 1985 to preserve the overall freshness and quality of the stamp. For the record there is a tiny faint crease entirely in the lower right margin which was not mentioned in either certificate; this could be literally cut away and there would still be four full large margins.

This very fine stamp with fresh colour and full margins is a very rare example of Canada's first stamp. It once adorned the Lindeman and the "Outaouais" collections, and was sold by us in part one of the latter sale in September 2017 for \$75,900 (including buyer's fee). It's new owner thought it fitting to re-offer it at the same time as part two of this lovely collection here, after a 2½ year ownership. One census of unused mint laid paper three penny beavers puts the number at about 20. Although this might be a little bit low, unfortunately many of these mint and unused are cut into or have faults and some are in institutional collections. It is likely that fewer than a handful of very fine four margin mint number ones are available to private collectors. Rsv. \$30,000.

..... Unitrade \$60,000

- 5 **#2 6d Slate Violet Consort Imperforate on Laid Paper on Folded Cover**, mailed Montreal on OCT.16.1851 to Philadelphia. This folded cover (no letter inside) is franked with a very fine and fresh, four margin 6d Consort on laid paper, cancelled with a light target cancel. There are a "CANADA" in arc, a "10" in circle and a "PAID" markings, all in red on front, alongside the red despatch datestamp. A very fine and appealing cross-border cover, with "Juliard" owner's handstamp on back, also ex. "Carrington" (2002) and Daniel Cantor (2011) collections, and accompanied by a 2011 Greene Foundation certificate.

- 6 **E/P #3P 12d Queen Victoria Plate Proof in Black**, on card mounted India paper, well centered and very fine. Accompanied by a 2016 Greene Foundation certificate. A premium example of this very scarce proof.

.....Unitrade \$6,000

- 7 **E/P #3Pi 12d Queen Victoria Plate Proof in Black, with Vertical SPECIMEN Overprint in Carmine**, on India paper, well centered among four large and even margins, very fine.

.....Unitrade \$2,500

- 8 **E/P #3Pii 12d Queen Victoria Plate Proof in Black, with Diagonal SPECIMEN Overprint in Carmine**, on India paper, with large to very large margins, very fine. Accompanied by a 2007 Saskatoon Stamp Centre certificate of authenticity. The diagonal specimen proof is rarely seen in this lovely quality, and several of the recorded examples have small faults.

.....Unitrade \$5,000

- 9 (*) #4 1852 3d Red Beaver Imperforate, unused (no gum), with nice colour and crisp impression. A lovely stamp possessing four large to huge margins, very fine. Accompanied by a 1984 Greene Foundation certificate.
.....Unitrade \$2,000

- 10 ☒ #4 3d Red Beaver Imperforates on Overseas Short Paid Cover, mailed Québec City on JUL.17.1858 to London, England, with red JUL.28 receiver on front. This blue cover is franked with two 3d Beaver imperforates, both with four large to huge margins and tied by the Québec datestamp. The rate is shortpaid 1½d, as it should have been 7½d but appears to have gone through undetected. The left stamp has a corner fault, else both very fine and the cover has a tear and some creases, still overall fine. Accompanied by a 1980 Greene Foundation certificate.
.....Est \$1,000

- 11 ☉ #4c 1852 3d Red Beaver Imperforate on Soft Ribbed Paper, used with an APR.19.1858 datestamp. A nice stamp with fresh colour and four large margins, very fine. Accompanied by a 2019 Greene Foundation certificate.
.....Unitrade \$800

- 12**  **#4d 3d Red Beaver Imperforate on Cover**, mailed from Québec City on SEP.3.1855 to "Hon'ble L.J. Papineau / Monte Bello / Petite Nation" with Monte Bello SEP.5 receiver and Montreal SEP.4 transits on back. This lovely blue cover is franked with a 3d Beaver imperforate, apparently from plate position B53 and on thin paper. Louis Joseph Papineau was a very well known politician. Very fine, ex. "Yule" and Daniel Cantor (2011) collections.

Unitrade \$300

- 13**  **#4v 1852 3d Deep Red Beaver Imperforate on Thick Hard Paper**, used with a clear 4-ring #18 cancel from Kingston. This lovely stamp has four large margins, showing part of the next stamp at left and at top, extremely fine. Accompanied by a 2019 Greene Foundation certificate.

Unitrade \$600

- 14** *** #5 1855 6d Slate Grey Consort Imperforate**, mint with full original gum and bright, fresh colour. This stamp has three large to huge margins, bottom margin is irregular, still fine. A very rare mint stamp, especially with full original gum, accompanied by a 2008 Sismondo certificate and a 2011 Greene Foundation certificate. Very few mint 6d Consort retain the overall "bloom" of the stamp offered here, and fewer still retain their original gum 165 years after having been printed. Rsv. \$10,000.

Unitrade \$30,000

- 15 ☒ **#5b 6d Consort Imperforate on Cross-Border Cover**, mailed Montreal on APR.1.1856 and addressed to Albany, New York. A fresh and superior quality stamp, extremely fine, and accompanied by a 2019 Greene Foundation certificate.

- 17 **E/P #7Pi var 10d Cartier Plate Proof in Blue with Vertical SPECIMEN Overprint in Carmine**, on India paper, this very fine proof shows characteristics of the major re-entry found in position 1, being a light line at the bottom of CANADA. Very fine.
.....Est \$300

- 18 ☒ **#7 10d Blue Cartier Imperforate on Transatlantic Folded Cover**, mailed Montreal FEB.7.1859 and addressed to Sheffield, England, with FEB.22 receiver on back, through "America / Paid / Dublin" FEB.21 datestamp in blue green. This folded cover is franked with a fine three margined 10d blue Cartier, tied by one of two Montreal datestamps. Horizontal fold, still very fine and visually pleasing. Accompanied by a 2009 Greene Foundation certificate.
.....Unitrade \$3,000

- 19** * #7i 1855 10d Dull Blue Cartier Imperforate on Thin Crisp Paper, mint with full original gum, very lightly hinged. A truly lovely stamp with four large and fairly even margins, extremely fine. Accompanied by a 1953 RPSC (London) certificate and a 2007 Greene Foundation certificate. A rare stamp in this condition. Although there are a few other premium mint examples of the 10d Cartier recorded, virtually all of these are on the thicker white paper, rather than the delicate thin crisp paper. One would be hard pressed to find another premium mint original gum example on the thin crisp paper. Rsv. \$10,000.
..... Unitrade \$28,000

- 20** * #8 1857 1/2d Rose Queen Victoria Imperforate, mint with full original gum, lightly hinged. A lovely stamp in all respects and ex. Julian Smith (1986). Rsv. \$9,000.

The cover is franked with a large margined (just clear at left top) 7½d green Imperforate, tied by a 4-ring numeral cancel. Overall very fine and accompanied by a 2001 David Brandon (Surrey) certificate.
.....Unitrade \$6,000

- 25 * **#10 1857 6d Reddish Purple Consort Imperforate on Very Thick Soft Paper**, mint with large part original gum (rare thus) and three large to very large margins, and just touching outer frameline at bottom right, fine. A very nice example of this rare mint stamp, missing from even the most advanced collections. Accompanied by a 2005 Greene Foundation certificate and a 2007 Philatelic Foundation certificate, the latter stating "light staining below the right 6" which we qualify more as trivial and does not detract from this great rarity. Advanced collectors know how rare the 6d reddish purple on very thick soft paper is in mint condition, with most known examples having various faults. Finding a collectible example with original gum is a true rarity. Rsv. \$10,000.
..... Unitrade \$40,000

- 26 ☉ **#10 1857 6d Reddish Purple Consort Imperforate on Thick Soft Paper**, used with a nicely centered 4-ring numeral 21 from Montreal. A truly remarkable example of this tough issue, with three large margins plus one well clear at bottom, very light paper toning at top right mentioned for the record, still very fine and rare. Accompanied by a 2002 Behr (Paris) and 2019 Greene Foundation certificates.

- 27 ✉ **#10 6d Reddish Purple Consort Imperforate on Very Thick Soft Paper on Cross-Border Cover**, mailed from Port Colborne UC on AUG.9.1858 to Madison County, New York. This cover is franked with a lovely and very fine 6d Consort imperforate on thick paper, with four large to huge margins (showing next stamp at bottom), tied by a neat target in red. Still contains its original three page, very well written letter. The cover has repaired tears on back, still very fine appearance and this stamp is quite scarce with any red postmark, plus it is not very common on cover. Ex. Daniel Cantor collection (2011). Accompanied by a 1998 Greene Foundation certificate.

- 28 (*) **#11 1858 1/2d Rose Queen Victoria, Perforated 11 3/4**, unused (no gum), very fresh and well centered, extremely fine. A lovely stamp in all respects, accompanied by a 1986 and 2014 Greene Certificate. The 1/2d perforated is a relatively difficult stamp to find in mint or unused condition, with most recorded examples being poorly centered and/or with faults. The example from the "Outaouais" collection possesses a near-perfect centering, a true condition rarity for Canada's first perforated stamp issue.
..... **Unitrade \$6,000**
- 29 ☉ **#11 1858 1/2d Rose Queen Victoria, Perforated 11 3/4**, used with a 4-ring numeral 37 cancel from Québec City. A lovely stamp, well centered amongst large margins, extremely fine. Accompanied by a 2006 Greene Foundation certificate.

- 34** * **#13 1859 6d Brown Violet Consort, Perforated 11³/₄**, mint with full original gum, slightly disturbed. This lovely stamp has deep rich colour and a crisp impression. A very well centered stamp as well, as even the nicest mint examples are often off-center. There are two clear intersecting guidelines in the bottom left margin, adding to the desirability of this stamp. A truly stunning stamp in all respects, quite fresh and very fine. Accompanied by 1966 and a 2007 Philatelic Foundation certificates, as well as a 2020 Greene Foundation certificate. Surely one of the nicest mint example of this rare stamp. Rsv. \$25,000.

51 **(*) #23 1868 1c Yellow Orange Large Queen**, unused (no gum), exceptionally well centered among large, even margins, extremely fine. Accompanied by a 1983 Philatelic Foundation certificate. The 1c yellow orange has a tendency to be in unsatisfying quality when found in mint or unused condition. The example from the “Outaouais” collection displays exceptional attributes, starting with the centering, but also the full perforation, and the rich shade. A lovely stamp in all respects.

- 54 (*) #27b, iii 1868 6c Dark Brown Large Queen on Watermarked Paper, with Major Re-Entry, unused (no gum), showing part of one letter of the watermark. The stamp also clearly shows the elements of the major re-entry from plate position 93. Pulled perf at bottom, still with deep rich colour and crisp impression and fine-very fine. This is the only known example of this combination of a watermarked stamp with this major re-entry, a must have for any serious collector. Accompanied by a 2005 Greene Foundation certificate. Finding an unused example of the 6c showing part of the Bothwell paper watermark is a rare occurrence, as there are likely 10 or less in existence. The fact that one example exists with the major re-entry is quite exceptional.

- 59 (*) #33 1868 3c Red Large Queen on Laid Paper, unused (regummed) with bright colour, full perforations with pleasant centering, fine. One of Canada's rarest stamps, with fewer than 10 mint or unused examples recorded. In fact, of all the major numbered Canadian stamps, only the #2 and #31 are known in similar small quantities. This stamp is likely the second nicest example, with the original gum example in the Firth collection appearing to being the finest. Ex. Vadeboncoeur. Accompanied by a 2002 APS certificate and a (pink) 2010 Greene Foundation certificate. Rsv. \$10,000.

Accompanied by 1983 RPSL certificate and 2009 Greene Foundation certificate (“unused, genuine, but soiled and numerous black flecks across stamp” – in our opinion a harsh description). Ex. “JAL” and Vadeboncoeur. Only nine mint or unused examples of the 3c perf 12½ are recorded. Of these, several are quite poorly centered and/or have faults (thins, tears and missing perfs). Taking into consideration the overall condition of this stamp, this is arguably the second or third finest example with only the ex-Julian Smith and Daniel Cantor example (sold for \$11,500+15% in our 2015 sale of the Cantor collection) and the superlative ex-Dr. Clare Jephcott and Bill Simpson example (sold for \$25,000+18% in 2019) being equal or finer to the example in the “Outaouais” collection. - 66 **** #38a 1875 5c Slate Green Small Queen, Perforated 11½ x 12**, mint with full original gum, never hinged. A very fresh stamp which has wonderful centering and is extremely fine. A difficult stamp to find in such lovely quality. Accompanied by a 2007 Richard Gratton AIEP certificate and a photocopy of the stunning block of six from which it came. The 5c perforated 11-1/2x12 is one of the most challenging of all Small Queens to locate in premium quality. Its rarity can be traced back to the fact that only a few of the early 5c printings had this perforation measurement, and very few were saved by collectors or otherwise not used. This printing normally displays unevenly applied gum with streaks and/or bubbles, and the example contained in the “Outaouais” collection displays these characteristics. A true condition rarity for the connoisseur.

- 157 ** #MR2D 1915 50c Black Admiral with Two Line WAR TAX Overprint**, mint never hinged, very fresh and well centered, extremely fine. A very nice stamp. The 50c War Tax is an elusive stamp, and is rarely found in the superlative quality of the example from the "Outaouais" collection. The Unitrade catalogue keeps increasing the NH premium factor for this stamp, and auction realizations for premium examples keep supporting a higher valuation. We expect that this lot will not be any different.

TERMS & CONDITIONS

(Please read carefully)

1. The property described in the catalogue and on the internet will be offered at public auction by Sparks Auctions Inc. (Sparks) on behalf of various consignors. By bidding on any lot, whether in person, or through an agent, via Stamp Auction Network, by mail, email, fax, telephone, website, or any other means, the bidder the bidder acknowledges and agrees to all of the following Terms and Conditions of Sale, which are subject to change without notice. The definitive version shall be referenced at <https://sparks-auctions.com/terms/>.

2. The highest bidder acknowledged by the auctioneer shall be the buyer. The term "hammer price" means the last bid acknowledged by the auctioneer. The purchase price payable by the buyer will be the sum of the hammer price and a commission equal to 17% of the hammer price ("buyer's premium"), together with any sales tax which may be due on the sale.

3. All bids are per lot as numbered in the catalogue. The auctioneer shall regulate the bidding and reserves the right to reject any bid believed by him not to be made in good faith; to withdraw any lot prior to sale; to divide a lot; or to group two or more lots and to act on behalf of the vendor. In the event of any dispute, the auctioneer's decision shall be final. Sparks will execute bidding instructions on behalf of clients, but will not be responsible for any errors in the execution of such bids.

4. Unless a bidder has established credit with Sparks prior to the sale, Sparks must receive payment in full before the lots will be delivered. Buyers not known to Sparks must make payment in full within five days from the date of sale. Accounts more than thirty days in arrears will be subject to a late payment charge of 2% per month. All expenses incurred in securing payment from delinquent accounts will be charged to the defaulter. A fee of \$100.00 will be charged for any cheque returned for insufficient funds.

5. All sales are in CANADIAN FUNDS. Payment may be made by bank draft, bank transfer, cheque drawn on a Canadian or U.S. bank, Canadian or International postal money order, cash or credit card (VISA and MasterCard only; there is a 2.5% convenience fee to process Visa & MasterCard payments). Cash/ Cheque payment in U.S. funds is acceptable at the same rate which Sparks can purchase Canadian Funds at our bank (2.5% percent above the mid-market rate). Contact us if you require the exact amount owed in U.S. funds. Credit cards will be processed in Canadian Funds.

6. Buyers from Canada will be charged Federal GST or HST as applicable in their home province. Bidders resident outside Canada are not liable for Canadian taxes if purchases are delivered outside of Canada. See shipping instructions.

7. Until paid for in full, all lots remain the property of Sparks on behalf of the seller.

8. The buyer assumes all risk for delivery of purchased lots and agrees to pay for prescribed shipping costs.

9. Because the descriptions and scans of the auction will be available in a printed catalogue, on our website and on Stamp Auction Network, there is a possibility of technical or other error. In that event the auctioneer's decision will be final. If discovered before the sale, corrections will be posted on sparks-auctions.com. Opening bids will be available on the websites and will be updated. These are only provided as a service to bidders and Sparks does not guarantee their completeness or accuracy.

10. Any lot, the description of which is obviously incorrect, is returnable, but only if the lot is returned to us within 14 days of receipt. All disputed lots must be returned intact with the original packing material. The following lots may not be returned for any reason:

- Lots containing ten or more items;
- Any lot described with "faults" or "defects" may not be returned because of any fault or defect;
- No lots illustrated either in our printed catalogue or online may be returned because of centering, margins or other factors shown in the illustrations, including easily visible flaws;
- It is normal for postal history items to have small faults including but not limited to minor nicks, pencil notations on back, edge and backflap tears, and slight reductions consistent with commercial usage. Folded letters should be expected to have at least one file fold. While we strive to mention more significant flaws, condition issues such as the aforementioned are not grounds for return. Items being offered primarily on the basis of the postmark are not returnable on the basis of flaws to the underlying item.

11. All lots are sold as genuine, unless otherwise noted. If a prospective purchaser wishes to obtain other expert opinion from a mutually acceptable authority, an extension for expertization may be granted on a lot provided that the following conditions are met:

- (1) The purchase price of the lot must be paid in full;
- (2) The item must be submitted to the mutually acceptable expertizing committee with a properly executed application form within 14 days of the sale;
- (3) A copy of the application form must be given to Sparks Auctions;
- (4) Unless prior arrangements are made, extensions are granted for a period of up to 100 days;
- (5) If in the opinion of the authority the lot is not genuine or was grossly misdescribed, the purchaser shall receive a full reimbursement of the purchase price plus costs of certification up to \$100; and
- (6) Lots back-stamped or marked by the expertizing committee are not returnable. It is the purchaser's responsibility not to let this happen.

12. Lots which include the notation 'Rsv' are offered subject to a minimum bid ("reserve"), agreed to between the consignor and Sparks Auctions Inc., below which the lot will not be sold. Any lot which does not meet the reserve will be stated to have been "passed".

SHIPPING INFORMATION

Please note that due to worldwide COVID-19 restrictions, some shipping delays may be expected.

Unless specific other arrangements are made between the buyer and Sparks Auctions, lots will be shipped in the safest and most economical method available at the time. Our insurers mandate a "signature required" method of delivery.

Notes on catalogue values and reference

Catalogue values are listed for most lots offered. These are the best available guides to the retail price of a single stamp or set provided that the item(s) are the same quality as the standard described in the introduction to each catalogue. Exceptional quality will often sell above the catalogue value; inferior quality will sell for less; faulty stamps in a lot can result in a sale price of a small percentage of the catalogue price.

When cataloguing collections we use the value for the grade specified. For Scott this grade is very fine. For Unitrade we use the grade specified at the start of the textual description. Thus a "fine" collection will have all stamps added at the fine price. We do not count obvious forgeries, reprints etc. and usually do not count faulty or ugly stamps. A lightly penciled X under a stamp means it was not counted in the catalogue value. We put a light pencil note beside more expensive stamps and put a total catalogue value at the bottom of each page to assist viewers.

The following catalogues have been used. If there is a variance, this will be mentioned in the text of the description. The term "owner's catalogue value" indicates a variety of approaches and may include older versions of catalogues. We will have inspected and reviewed the result but not re-catalogued; hence we do not vouch for the exact total of catalogue value.

2020 Unitrade Specialized Catalogue of Canadian Stamps
2020 Scott Worldwide Catalogues
2020 Scott Classic Specialized
2019 Scott US Specialized
2020 Stanley Gibbons 1840-1970 (SG), values in £
2007 or later Michel Catalogues of the World (Mi), values in €
2017 The Canadian Revenue Stamp Catalogue by E.S.J. Van Dam
Other Specialized catalogues as noted in descriptions.

The U.S. Specialized and the Scott Classic are referred to as Scott interchangeable with the standard volumes.

About Bidding

**Please bid using these increments.
(All bids are in Canadian dollars.)**

\$5 - \$100	\$5	\$3200 - \$7000	\$200
\$110 - \$250	\$10	\$7500 - \$15,000	\$500
\$275 - \$750	\$25	\$16,000 - \$30,000	\$1,000
\$800 - \$1500	\$50	\$32,000 - \$50,000	\$2,000
\$1600 - \$3100	\$100	above \$50,000	\$5,000

1) Please bid using the increments above. All bids not conforming to these increments will be rounded to the nearest amount.

2) You have the option to break ties or increase your bids if needed by checking the appropriate box on the bid sheet.

3) **BID CONFIRMATION & OUTBID NOTICES** If you are bidding through the internet, after you have entered your bids you will receive a computer generated email describing each lot you bid on and, without divulging the high bid, telling you which lots you are winning on at that moment. You then have the option of updating your bids. If you have bid by mail or fax you have the option of asking to receive this email by checking the appropriate box and including your email address.

4) If you give your bids in advance to Stamp Auction Network or to Sparks Auctions you will only pay one increment over the second highest bid. Your top (maximum) bid will be used only if another bid is one increment below yours, or exactly the same as your bid but was received after yours. In the event of tie bids, the earliest bid received by us will be successful. We do not accept "buy" bids.

5) The auctioneer may permit telephone bidding during the auction. This must be arranged before the day of the auction. Sparks reserves the right to refuse telephone bidding at any time. Sparks will not be held responsible in the event that a telephone bidder cannot be contacted or does not have reliable service.

6) **OPENING BIDS** will be available on Stamp Auction Network and are updated in real-time. These show the bid that is one increment over the underbid (second-highest bid). In our experience, most of these will be well below the eventual hammer price, even immediately before the sale. Opening bids are updated constantly as new underbids are received. They are provided as bidding advice only; if you see that an opening bid is higher than you wish to bid for a lot you would like to buy, this knowledge allows you to focus on other items of interest. Opening bids are not final or audited and Sparks will not be held responsible in the event of errors in the opening bids provided before the sale.

7) You have the option of limiting your purchases to a specified dollar figure (e.g. \$500). This feature allows you to bid with the confidence that you will not overspend your budget if you are very successful in the auction. It also allows you to use a strategy of bidding on many lots with the expectation of winning only some of them.

8) Because of currency fluctuations, we are not able to offer bidding in U.S. dollars. See XE.com for current Canadian dollar rates.

How To Bid

Advance Bidding We accept bids in the time-honoured tradition: you can mail us a printed bidsheet (available for download from our site), or fax it to us at 613-567-2972, or call us at 613-567-3336 with your bidding information. E-mail bids also work well; simply provide the lot number and your maximum bid in Canadian dollars.

For the most satisfying and realistic experience akin to being on the auction floor, you should become familiar with Live Internet Bidding.

Live Internet Bidding

Live bidding on the internet allows bidders anywhere in the world to participate in the auction. Sparks Auctions is pleased to make the auction available through Stamp Auction Network, and we will do everything we can for our customers to make the process simple, trustworthy and fun.

Connect to Stamp Auction Network at: stampauctionnetwork.com

Register once and create a user name, which will allow you to choose auction firms to bid with, including Sparks Auctions. We will approve you to bid as soon as possible during normal business hours. If your application was made more than one month ago, please re-submit.

The Approval Process

We will not extend credit terms to any buyer who has not made arrangements in advance of the auction. Payment must be made before lots are shipped, preferably by credit card, but we also accept cheques, money orders, etc. We need to confirm your account before you will be able to place bids with us. For fastest bidder confirmation, please reference Ian Kimmerly, Sparks Auctions, or other North American auction houses when you create your account. Other details that will help us

quickly approve you for bidding include:

- * Credit Card number (Visa or MC, with expiry date and CVC code)
- * Philatelic references (including eBay reputations, BidStart etc.)
- * Associations (APS, RPSC, BPA, etc.)
- * Your own professional website (stamp-related or otherwise)
- * A valid e-mail address (we will not approve you if your e-mail bounces)
- * Call us at 613-567-3336

A complete bidder registration with many of these details included will result in a speedy approval. We want your bids, but we do not want "problem buyers!" NB: We do not normally check references from banks, AMEX, individuals (non-philatelic), etc.

The On-Line Auction

Once you have been registered and approved by us, you can:

Keep track of lots you are interested in, and place bids on-line at any time before the auction begins. This is similar to any other form of advance bidding (ie., sending us a bidsheet by mail, fax, etc.), but you will receive acknowledgement of your bids once they are submitted, and, if you wish, further confirmation by e-mail if you are outbid.
