Also includes a substantially complete UN Geneva (1969-1990) and UN Vienna (1979-1990) collection in two Lindner red albums with slipcovers. This type of album makes it a challenge to check earlier issues for hinging: we did note some hinged but is NH for the majority of the material. Many mint sets here including George V 'Medallion' (low denomination), George V 'Silver Jubilee', George V 'Pictorial' (up to #225 Niagara Falls) and more. A really nice and clean accumulation with solid value.
